Re: MUR 6962, Project Veritas Action Fund

Dear Mr. Jordan:

On behalf of my client, Project Veritas Action Fund ("PVA"), this responds to your letter received October 26, 2016, notifying it of a complaint alleging violations of the Federal Election Campaign Act ("FECA") from the Stop Hillary PAC.

The complaint stems from a piece of undercover journalism completed at a Hillary for America ("HFA") event on June 13, 2015 on Roosevelt Island, New York. This video can be located online at: <http://www.projectveritasaction.com/video/high-level-clinton-campaign-staff-caught-video-knowingly-breaking-law>.

PVA incorporates by reference its reply filed in MUR 6982 filed by American Democracy Legal Fund. This will provide relevant insight to the Commission and provide reasons why no reason to believe a violation of the Act occurred by PVA.

Sincerely,

  
Benjamin Barr  
Counsel  
Project Veritas Action Fund
